Officer George Caldwell, has not been a igned to a regular beat by Chief Ambrose but it is a sort of "free lance," who may b ssigned so any kind of duty. Caldwell is netty cute and can be used to advantage by Chief Ambrose for detective work. Rev. Dr. W. J. Finley and his son, Mr.

W. S. Finley, have returned from a sojourn CASPER'S Drug Store, of two weeks, in Bowling Green, Auburn and Russellville, Kentucky, The doctor of two weeks, in Bowling Green, Auburn and brought home with him his daughter, Mrs Ella Harreld, and her children, of Mor gantown, Ky. The doctor is in much-im proved health. He gave his lecture on "Ren Hut" at each of the places named, to large and appreciative audiences.

Mr. Charles A. Davis, of west Mai street, who received such a severe stoke of paralysis several months ago, is slowly reovering from its effects. Mr. Davis has been an enthusiast in the order of the Independent Odd Fellows for many years, and Marshal Way, of South Charleston, is in has recently persuaded his three sons to join in this great fraternal brotherbood. Probably the first trip down town since his misfortune was on Thursday night of last week, when he attended Springheld lodge to witness the initiatory ceremony pre-formed to made the sons his bonded broth-Mr. Will F. Orr, an attorney of Xenia, ers. He also witnessed the conferring of in the city on legal business. night.

Election of Officers. Champion Lodge, No. 15, F. and A. M. met last night and elected the following officers for the ensuing year.

1. D. Woods S. W. George Robinson J. W. William Robinson Treasurer. M. B. Brown Secretary.

BRUSSELS, June 3.-Four thousas

miners in the Barinage district, who had returned to work have again gone out on Channey Depew and the Reporters.

Mr. Depew is at all times an agreeable alker, and to reporters he is especially so. "I never but once refused to be interviewed," said he, while here the other day, "and I gave in on that finally. It was very late at night, and I had gone to bed more than usually tired. I was in the midst of my first sleep, which is my best. er daughter, Mrs. Ben Ormsbee.

Next Sunday evening the Rev. S. P. Dunmind I wouldn't answer, hoping that whoever he was he would tire out and go. But he didn't, and finally I got up and went down to the door and ushered in a young John Hill, on a warrant, J. Peterson, for man. 'Mr. Depew,' said he, 'I am a news-dronkenness and William Bruer, for disthe doctor says I must take her to Clifton Springs to morrow. I don't come to you for a pass: I don't ask you for money. U. R. K. of P. tonight, to take action on the matter of going to Findlay to enter for leading dailies of New York) has given me a column and a half. I've got to fill it. The money I will get for it will, perhaps, save my wife's life. I have walked the next Wednesday, to play the club of that streets an hour wondering what I would city the game which was prevented by rain write, when I thought of you. Now, want you to fill that space But, said I, what shall I talk

"Anything,' said he. So I walked up and down the room and commenced to talk upon a subject. 'No,' said he, 'I think they'd like that. Then The Stewart annual picnic will be held on started off on another 'Um afraid of the Neff grounds, at Yellow Springs, on that, said he. He suggested a topic, but Thursday, June 9th. Relatives and friends that was professional and I could not talk are confully invited to participate. to him about it. Then I rambled off a category of different things until be inter-rupted me on one. That'll do, said be works reservoir are almost completed, and 'give me something on that,' and I fired the additional 500,000 gations allowed by a speech at him. In a few minutes he said be. 'Pve got my column and a half,' and be had. The next morning the inter-

Carrying the Creek

The mode of procedure in the village of Galashiels was as follows: Early in the the newly wedded couple, bringing with "creel" or basket, which they filled with stones. The young husband m being brought to the door, had the creel firmly fixed to his back, and with in this position had to run the round of the town, or at least the chief portion of it. followed by a number of men to see

that he did not drop his burden, the only condition on which he was allowed to do o being that his wife should come after im and kiss him. As relief depended al-ogether upon the wife, it would some imes happen that the husband did not need to run more than a few yards; but when she was more than ordinarily bashal, or wished to have a little sport at the expense of her lord and master-which, it may be supposed, would not unfrequently be the case—be had to carry his load a ensiderable distance. This custom was very strictly enforced

and the person who was last creeled had charge of the ceremony, and he was nat-arally anxions that no one should escape. The practice, as far as Galashiels was concerned, came to an end about 100 years ago, with the person of one Robert Young. who on the ostensible plea of a "sor back," lay abod all the day after his marriage, and obstinately refused to get up and be creeled. He had, it may be added in extenuation, been twice married before, and had on each occasion gone through ceremony of being creeled, and now no doubt, felt that he had had quite ough of creeling -All the Year Round

#### Edwin Booth Imitating Himself. The following story of Edwin Booth's

alleged failure in imitating bimself is in-teresting: During 1862 the brother of the 'only Hamlet' was playing in Washing ton and at the close of his ongagement was tembered a benefit. This was natu rally a matinee, for, whatever may have been the general opinion of the acting of John Wilkes Booth, there was very little | party esent, especially among the pentier sex from the fact that he was the handsomest tended, and went behind the scenes to ongratulate his brother on his bumper of in audience. As Edwin stood conversing in the wings a then popular character

rapidly preparing to respond to a tremen "What next" asked Booth "I am going to give them you in the Soliloquy, said the specialist, ner vously. But with the original looking "I say, Ned." said John Wilkes, "I've an idea. Go on and imitate yourself." The proposition struck the tragedian as a ornical one. Hastily putting on the munic's vig and buttoning up his coat he went on and delivered the celebrated speech of the wildly. The next morning The National Intelligencer, the great paper then said that the imitations ruined the perform ance each being worse than the others.

hundred times quicker than a year ago. A safe policy for adoption in modern times is to stick to the old toethod as the right policy, so long as no better way pre-sents itself. But when that new way is to supply the one or take advantage of the chance. Sale June 7, at 1 p. other.—Magazine Exchange. Forey & H

shudder in his shoes could be but have seen

The American business man may not and the fine arts, but what is infinitely of huahua, Mexico, by the falling of a candle, more value to him, he knows his trade and his men. He may be slow at logic, but he darts at chances. He shapes him switching into new tracks. To the spirit defalcation is not less than \$30,000. of enterprise more than to any other element in business life, has been due that rapid progress of America that has placed over to the grand jury in the sum of \$5,000 all the institutions of our country so far to answer the charge of assault with intent above those of any nation in the world to kill. And nothing should prove so healthful or more stimulating to the young man entering into commercial life than this coulding and Hornophe; at Jerome Park, King Fish, Bess, Linden, Rustler, Nellie Commercial to the theory from the diston of affairs. The spirit of the times the fair of the times demands of him that he must from the Van and Tomahawk. very start be alert to discover new ways in business and find new methods by which undertakings can be carried out a

Heat as a Purifier. Fire is a thorough purifier. Two bundred and twelve degrees of heat, according to Fahrenheit, is the lowest degree to which it is safe to expose infected meat, and as all kinds of meat are always subject to more or less disease, or worms, invisible, it may be, to a common microscope, it is not safe to eat any kind, unless cooked by applying 212 degs. F. Heat is a complete remedy for many things. Heat is a great purifier as well as sweet ener of food and drink. Germs of disease are lurking in many things. Water from sluggish streams, pools or sloughs should never be used until boiled. It is nearly always full of disease or injurious animalculæ. By boiling, settlers in new countries, where pure, living water cannot at first be had, might be exempt from many protracted or even fatal diseases. When potatoes, apples and other vegetables are rotting, the sound parts should not be eaten raw, as the fungus or disease with which they are decaying is frequently poison to the human system. And it is probable that many of the malarial diseases, such as fever and ague, neuralgia, etc., could be avoided by strictly using cooked food and water purified by heat

an increasing throng of adherents. - Bo-Horseshoe Pins with Seven Jewels. "Rather particular, wasn't hey" marked the reporter to a jeweler referring to a man of sporting proclivities who had just purchased a borseshoe scarf pin after hunting over the entire stock.
"Yes," assented the jeweler. "Men
who follow the turf are all more or less superstitious. The horseshoe pin is a great favorite with them, but they all want one with seven untils in it. The ma-jority of pins have four unils on each side. so the ones with only seven soon get picked out. A turiman is ashamed to acknowledge that he is superstitious, and will go out without buying sooner than admit what he is looking for. Seven was con-sidered a lucky number by the ancients,
